MARTIN NATHANSON GOING WEST.

Martin Nathanson will leave Chicago tomorrow for Helena, Mont., where he is to officiate as presiding judge and racing secretary during the state fair meeting which will be given there beginning September 27. President Taft will be associated with Mr. Nathanson in deciding the finish of the Taft \$1.000 Handicap, which will be a feature of the opening day, which occasion the president will grace with his presence. Mr. Nathanson expects to return to Chicago at the close of the Helena meeting, regardless of what decision may be reached relative to racing in California. In the event of a winter meeting at Oakland. Mr. Nathanson will, of course, be connected with it in the capacity of handicapper, programmer and associate judge. He has as yet received no instructions from President Williams of the New California Jockey Club relative to the arangement of a stake program for a winter meeting at Oakland, which lends color to the advices from San Francisco that Mr. Williams is awaiting the pending decision of the California Appellate Court on the constitutionality of the Walker-Otis law before coming to a decision as to just what he will do for the horsemen the coming winter.

CELLA REPORTED ANXIOUS TO RETIRE.

Cincinnati, O., September 18.—It is rumored that I.. A. Cella has offered his stock in the Latonia Racing Association to the highest bidder, and that J. B. Respess and Congressman J. L. Rhinock are ready and willing to outbid anyone for the stock. Cella desires to get out of the race-track ownership business, it is said, and if present reports are true he will soon be a non-factor in Kentucky racing affairs. It seems he has lately built a home at a cost of about \$300,000, which would seem to settle the report that his reason for selling out at Latonia was on account of being broke. A business man close to Cella says the St. Louisan has had a disastrous year, but he scoffs at the intimation that Cella is nearly down and out. Said he: "I would like to be broke like Cella is. That kind of financial depression is just a joke on your friends."

RUNNING OF THE OCCIDENTAL STAKES

The first Occidental Handicap was won by a Chicago-owned race horse and a good one, the bay colt, evious, which was one of the first really good representatives of Meddler and the property of the Chicago m of Bromley & Co. In its second running it fell to the winner of the American Derby of 1898, Pink at, a real race horse and now the sire of other real race horses. Then Herbert won it from Advance and and came back the next year and won it again, defeating Carbuncle and making himself the only see that has won the Occidental Handicap twice. Last year Priscillian took up 126 pounds and won from ister Robert, Dandellon, Firestone, Tourenne, Far West and Tony Bonero. It was his last race in a series brilliant victories unblemished by a single defeat, and shortly afterwards he was sent to England, where thing but defeat has been his portion. Two of his unsuccessful efforts there were in the races won so cisively by the American filly, Mediant. The Occidental will be run tomorrow for the eleventh time d for the first time in its history as a selling race instead of a handicap. Its record is as follows:

the public might back its judgment, such as the pari-mutuel or auction pools, where the bookmaker would be eliminated entirely. This would insure clean racing, the public would make its own odds and the association would not and could not have any interest direct or indirect in the matter, except possibly to act as stakeholder. This is the system in France, where racing is run successfully under governmental supervision.

"However, these things are all in the future. The present need which I hope to supply is a park where every branch of sport can have a home."

Montreal Meeting Closes with Banner Attendance in History of Racing in That Locality.

Montreal, Que., September 18.—Getaway day for this season at Blue Bonnets will in future be remembered as the banner one in the history of the track in the matter of attendance up to date. Every available space of the commodious plant served some one as a vantage point from which to witness the racing. The clubblouse was taxed to its utmost with Moutreal's clite. Ideal racing weather prevailed and served to connece the sport. Judging by the can safely be reckoned as a future roow Morreal can safely be reckoned as a future room of the best element here. The past fortnight has afforded a good test relative to racing in this section, and the large daily crowds have afforded ample proof that the sport is well liked. Financially the meeting has come up to the management's expectations.

Today's card in its original state was a splendid offering, but bad track conditions brought about wholesale withdrawals and several surprises in the defeats of the best-backed horses. Scratches were especially plentiful in the feature races, the Champialin Stakes at one mile being contested for by course by three.

P. T. Chinn's Great Heavens was returned winner in the stake in handy style, much to the chagrin of those who had placed their confidence in Martin Doyle and installed him favorite. Great Heavens showing today was in marked contrast to his previous performance. Martin Doyle encouraged his backers for nearly three-quarters by remaining in a contending position, but when called on in the stretch faded away. Royal Onyx and Old Honesty fought it out for the minor portions of the purse.

Lizzie Flat, Ballycastle and G. Ferraro were left for go in the 'chase. They ran closely grouped until the fifth hedge, where G. Ferraro made a bad landing position, but when called on in the stretch faded away. Royal Onyx and old Honesty fought it out for the minor portions of the purse.

ONTARIO AUTHORITIES TAKE A HAND.

Toronto, Ont., September 18.—"The provincial secretary has sent a letter informing us that the Metropolitan Racing Association must take out a license in the Province of Ontario, and on behalf of my clients I have replied, pointing out that as the object of the Metropolitan Racing Association is not gain, they need not take out a provincial license," said attorney Hartley H. Dewart yesterday, when asked if it was true that the Metropolitan Racing Association had been ordered to take out a license, and had refused.

"But there is a \$50 a day penalty provided, is there not? Suppose that the provincial authorities make a demand on you for it, what would that mean?"

"Well it would mean twoley days," assigns at \$50.

"Well, it would mean twelve days' racing at \$50 a day—\$600. That would mean a high court action, and that would mean more grist for the legal mill," replied Mr. Dewards in the made for a provincial license?"
"Oh, yes, As coursel for the association, I have advised my clients that they do not need to take out a provincial license. We would pay the penalty before we would apply for a license."

NOTTER NOW RIDING IN FRANCE.

New York, September 18.—Jack McGinnis, the man who developed jockey Joe Notter, has received word from Notter that he had quit Germany for the year and taken out a license to ride in France. Notter went abroad to ride for the stable George Walker has been training for a wealthy banker of Hamburg, but was not especially successful. He expects to do some riding for Fred Burlew in France. Notter is a bit homesick and he expects to come nome as soon as the season in France is over. But if he gets a good contract to ride in France next spring he probably will go back across the water.

REPORT ANENT LOS ANGELES RACING.

Los Angeles, Cal. September 18.—Reports are in circulation that a meeting of five weeks' duration, beginning about December 1, is being planned for Santa Anita Park this winter in the event that the California courts uphold the provisions of the Walker-Otis law prohibiting bookmaking. It is thought that a meeting of this limited duration may be made self-sustaining under the oral system of betting, as in the east.

Toronto, Ont., September 18.—The people of Toronto should feel proud of their Woodbine. Never before did the picturesque course on the shores of Lake Ontario look as pretty as it did this afternoon. The greensward that covered the spacious lawns proved a pleasing background for the handsome gowns displayed by some of the leading laddes of the Dominion, who promenaded on the cluthouse enclosure between the running of the races. It was a grand opening and probably the best the Ontario Jockey Club has had since fall meetings, were the control of the control

NO FURTHER ARRESTS AT GRAVESEND.

New York, September 18.—Borough Inspector Hola-an sent seventy plain-clothes men to Gravesend oday and was there himself. After the races the han sent seventy plain-clothes men to Gruvesend today and was there himself. After the races the inspector declared that no violation of the Hart-Agnew law had taken place. It was rumored that members of the Kings County grand jury were also at the track on investigation bent, that there was a movement on foot to indict Inspector O'Brien, and that Dr. Walter Laidlaw of the Law and Order League had preferred charges with Governor Hughes against Sheriff Hobley. All of these reports were without foundation in fact.

Assistant District-Attorney Elder of Brooklyn said that twenty additional warrants against alleged bookmakers had been obtained from County Judge-Fawcett today. The eighteen men arrested at the track yesterday were arraigned today and were held for examination September 27. It was said that indictments probably will be filed against them in the meantime.

"Last year the cases that were litigated involved no complete evidence of receiving or registering bets," said Mr. Elder, "but this time we have evidence of the commission of both acts; we have the custodian or depositors," overnor Hughes started the ball rolling against the legerans to the officials in Kings. County on September 4 to use every effort to get evidence against the bookmakers. The Kings County week.

New York, September 18.—Representatives of Assistant District-Attorney Elder's office declare, concerning the arrests made at Gravesend Friday for alleged violations of the Hart-Agnew law, that private detectives, under the direction of Governor Hughes, have been engaged in obtaining evidence, on which the arrests were based, at the race tracks since Labor day. The races were then being run at Sheepshead Bay, which was the scene of the early operations in the investigation. According to District-Attorney Clarke, the special detectives learned that bets were being made at the tracks in violation of that provision of the law which prohibits the recording of wagers. The modus operandi, according to Mr. Clarke, was for the bookmaker to be accompanied to the track by three assistants—a clerk, a recording clerk and a cashier. The bettors were a recording clerk and a cashier. The bettors were radial of money of odds, and deposited a certain of money of odds, and deposited a certain of money. The bettor was allowed to be up to the amount on deposit, either in small sum, sum. His initials were then catered when the recording clerk, and if he won he collected the money from the cashier, who was stationed in some other part of the track.

STAKE RACING OF THE PRESENT WEEK.

In the course of racing at Gravesend this week, six stake races will be decided. The first, the Occidental Handicap, for three-year-olds and over, at a mile and a quarter, will be run tomorrow, the names of the probable contestants being presented in the entry lists published in this issue of Daily Racing Form. The Willow Handicap, at five and a half furlongs, for two-year-old fillies, will be decided Tuesday. Livonia. Schoolmarm, Jacquelina. Angerona, Indian Maid. Louise S. Cherryola, Starport, Sylvia Dunbar, Intrinsic, Sticker, Mcxonna. Fair Louise and Louise Wellesh have all raced well and a decidedly interesting race seems in prospect. Wednesday afternoon will have the King's Highway Steeplechase as its stake attraction. It is a long-established race and has a fair representation of the good jumpers of the day engaged.

Starport, It has been made a selling race this year, and Dullcare, Schoolmarm, General MacGregor, Collnet, Little King, Elfin Beau, Ostend, Cherryola, Starport, Intrinsic, Pretend, Mexoana, Interpose, Huda's Sister, Ben Loyal and Fountain Square figure prominently in its entry list. De productive in the Louisville meeting opens next Saturday. It has no stake races, the mistaken policy of making it an aπair of pure racing only having been adopted.

RACING OF THIS WEEK IN ENGLAND.

As was the case last week, English racing of this week is confined to meetings of small importance, those to be disposed of being the Birmingham September, Lingfield Park September, Windsor September, Lingfield Park September, Windsor September, Pontifract Autumn and Newbury Autumn meetings. No stakes of great value are to be run at any of these, except the Kingsclere Stakes of 1.00 a converging, for three-year-olds, at a mile and quarter which is the main feature of the Newbury meeting. No American horses are engaged in it. Minoru, Mirador and Sir Bold are the best of the eligibles and it appears easy prey for King Edwards Derby winner, even if he did fail dismally in the St. Leger. Probably some American horses have been entered in minor stakes of recent closing at some of these meetings.

TIM PIPPIN RETIRED FOR SEASON.

New York, September 18.—Harry Rites has turned jockey Grand and his two-year-old. Scarus, over to George Odom in order to take the rest of M. J. Cromwell's horses home to Maryland. Tim Pippin. Mr. Cromwell's chief winner this year, will go immediately into winter quarters. So will Ruxton. Scarus will be pointed for the Walden Stakes, a mile race for two-year-olds, to be run at Pimlico this fall. Scarus has speed and courage, but slug-gishness in the early part of his races has prevented him from winning many times this season. The distance of the Walden probably will be to his liking.

OLAMBALA AGAIN IN ACTIVE TRAINING.

New York, September 18.—On Friday, Thomas Healey gave Olambula his first brisk gallop since the Twin City Handicap, in which he was cut about the hind legs in several places. The Ornus colt that defeated King James at one mile and a quarter at Sheepshead Bay went a mile in 1:50. He was full of snap and could have gone much faster if Healey had wished. Olambala worked at the Bay where he has been quartered since the running of the Twin City. R. T. Wilson, Jr., apparently intends to get Olambala ready for a meeting with Fitz Herbert in the Bowie Stakes at Pimlico.

New York, September 18.—Sam Hildreth is still superstitious. He will not take a horse out of his stable to pose for a photographer. He has turned down the requests of his warmest friends for permission to have his great colts, King James and Fitz Herbert, photographed.

"I don't like to be mean," Hildreth said when asked for an explanation of his attitude on this subject, "but whenever I let a photographer take a picture of one of my horses I have bad luck. Once in California six of my best horses fell lame within a week after they were led from their stalls to pose before the camera."

WILL WINTER IN PENNSYLVANIA.

New York, September 18.—Trainer Simon Healey will winter Dreamer at Captain E. B. Cassatt's Chesterbrook Farm in Pennsylvania with the Cassatt string, which consists of the two-year-old, Medallion, the Huron Handicap winner; Choirmaster of Chesterbrook and five yearlings, one of which is home-bred. There is an excellent training track at Chesterbrook and Healey should experience little difficulty in preparing Dreamer and the Cassatt horses for the races before he brings them to New York next spring.

WELSH HAS BUSY SEASON IN PROSPECT

New York, September 18.—Thomas Welsh will be a busy trainer next senson. He will handle about the two periods for August Belimont in addition to the horses owned by Robert Forsythe Little and the Newcastle Stable. Welsh may secure a call on jockey Dugan's services, as he has much confidence in the hustling midget. Dugan will go to Mexico or California for the winter.

ANSWERS TO QUERIES.

D. J. S. Chicago. The parlay was void as to Madman because there was no separate place price against him.

N. C., Chicago. The bet on Madman to win lost. The entry should have been backed. It is only fair to state, however, that some local bookmakers pay such bets.

CORRECTION OF WEIGHT.

The weight carried by Lighthouse in the first race at Gravesend Friday was ninety-eight pounds, instead of eighty-nine as previously published.

SUMMARIZED RESULTS OF YEARLING SALES

Get of Adam Brought Best Average of Season, with Watercress Second and Hamburg Third.

Watercess Second and Hamburg Third.

Lexington, Ky., September 18.—Whenever an average of \$500 per head for yearlings can be obtained through competitive bidding, the state of the market for thoroughbred horses can be considered healthy. This year 479 yearlings from Kentucky, Virginia, Tennessee and California went through the sales ring at Sheenshead Bay and they brought an aggregate of \$229,980, representing an average of \$506.30. This sales for the July period numbered 250,000, and they be sales for the July period numbered 250,000, and the September period 256 head of \$125,755, averaging \$490, or only \$34 less than the average for the midsummer sale, which has the pick of the crop. The fall sale, everything considered, was an improvement on the midsummer sale and on account of it the breeders have been greatly encouraged. They all regard the future as bright.

The highest price of the year was \$5,000, paid by John Dyment, the young Canadian, for the bay son of Adam and Roman Gold, a good daughter of Gold Lace, by Ormonde, bree by W. O'B, Macdonough of California. The bay filly by Adam, out of Ellangowan, was sold by Messrs. G. H. and T. J. Clay to Franklin C. Bishop of the Newcastle Strong and the salesting. The preparations were onducted privately. Should this \$5,000 transaction be included in the statistics of the auction sales, it would bring the average to \$515.75, an increase of nearly \$10. The next highest price, \$4,100, is also to the credit of Adam, his son, from Grace Gumberts, having been knocked down to J. A. Bennet at that figure. Three colts were sold for \$3,100 each, and one for \$3,000. One filly brought \$2,900, another \$2,200; one colt was sold for \$2,500, another for \$2,700, and two others for \$2,600 each. There were thirteen colts and fillies that brought from \$2,000 to \$2,700 each.

The yearling below. The Millstream people profited considerably by their ownership of Adam, but it is a pity that they could not have been sufficiently far-sighted to keep him here. That he would be in here to

Went to post at 4:57. At post 5 minutes. Start good. Won cantering; second and third driving. Thistledale blundered over the first two jumps, but fenced better when he got settled in his stride, drew away into a long lead after taking the fourth jump and was under restraint for the remaining part of the trip. Harrington went over the first jump in a false breakaway, was very unruly in the race and went wide on every turn. Bergoo tired under his weight. Steve Lane lacked speed. Dacra was only cantering for the entire trip. The Poet hit the fourth jump and fell.

Earl's Court ran in pearest pursuit for five furlougs and quit badly. Rubia Granda, away very badly, closed a big gap and is extra good. Dr. Waldo Briggs made up much ground from an indifferent start, as also did Cotytto. Spooner had scant chance at the start. The winner was entered for \$500; no-bid.

(848.20)BESOM what is a second and third the same. Sir John Johnson acted badly at the post at 3.52. At post 6 minutes. Start straggling. Won driving; second and third the same. Sir John Johnson acted badly at the post and delayed the start, but finally went away flying and won all the way and is fresh and good. Rose Queen broke slowly and was reserved patiently in behind the leafer to the stretch, but could never get up in a persistent stretch challenge and was a lucky second. Jack Atkin, from a fair start, was rushed through on the inside in close quarters and was pocketed and shut off repeatedly and when he gained a clear course in the stretch closed a big ap. King's Daughter broke well and maintained a forward position from the start and finished fastest of all. Harrigan, off poorly, was outpaced from the start, but finished moderately well and the same applies to Half Sovereign. Besom was flatfooted at the start and seemingly anchored by his weight.

The Turk, after close pursuit of the pacemakers for half of the journey, drew out and won in a canter. Boola away slowly, trailed leisurely to the last turn, then moved up and took second place in the last stride of a fast finish. Voltaire ran forwardly and persistently throughout and is promising. Tom Kerr outbroke and outpaced the others to the last turn and held on gamely in the closing drive, is a good looker and promising. Hampton Court broke slowly, lacked speed and was never dangerous.
